10th International Conference on Intelligent Systems Design and Applications (ISDA 2010)
## November 29 - December 1, 2010 - Cairo, Egypt - http://cig.iet.unipi.it/isda2010

General Co-chairs

Aboul Ella Hassanien, Egypt

Ajith Abraham, Norway

Francesco Marcelloni, Italy

TPC Co-chairs

Hani Hagras, UK

Tzung-Pei Hong, Taiwan

Steering Committee

Ajith Abraham, Norway

Janos Abonyi , Hungary

Yuehui Chen, China

Aboul Ella Hassanien, Egypt

Francisco Herrera, Spain

Lakhmi Jain, Australia

Janusz Kacprzyk, Poland

Etienne Kerre, Belgium

Halina Kwasnicka, Poland

Francesco Marcelloni, Italy

Nadia Nedjah, Brazil

Jeng-Shyang Pan, Taiwan

Marcin Paprzycki, Poland

Abdel Badee Salem, Egypt

The International Conference on Intelligent Systems Design and Applications (ISDA) is a major annual international conference to bring together researchers, engineers, developers and practitioners from academia and industry working in all interdisciplinary areas of computational intelligence and system engineering to share their experience, and exchange and cross-fertilize their ideas.

Topics
A. Intelligent System Architectures and Applications
B. Intelligent Image and Signal Processing
C. Intelligent Internet Modeling
D. Intelligent Data Mining
E. Intelligent Business Systems
F. Intelligent Control and Automation
G. Intelligent Agents
H. Intelligent Knowledge Management
I. Innovative Information Security
J. Innovative Networking and Communication Techniques
K. Web Intelligence

Paper Submission
Prospective authors are invited to submit a full paper of 4~6 pages (PDF). Authors must follow the **double column IEEE format.** The submission of a paper implies that the paper is original and has not been submitted under review or copyright protected by the author. All papers should be submitted electronically via the Online Paper Submission System, which is located at http://cig.iet.unipi.it/isda2010. The format of both the initial submissions and the final accepted papers must be in PDF. All submitted papers will be refereed by experts in the respective fields according to the criteria of originality, significance, quality and clarity. The authors of accepted papers will have an opportunity to revise their papers and take the referees' comments and suggestions into consideration before submitting the final papers.
All accepted papers with paid registration will be included in the Proceedings of ISDA'10. Selected papers will be published in special issues of a selection of International Journals (to be announced).

Workshop and Special Session Proposal
Researchers are invited to propose a workshop or a special session on a related topic of interest and on new trends in intelligent systems engineering. Information on workshop and special session proposal will be posted on the conference web site.

Important Dates
Deadline for workshop and speciale session proposal	:	April 15, 2010
Workshop and special session proposal acceptance	:	April 30, 2010
Deadline for paper submission	:	June 26, 2010
Notification of acceptance	:	August 14, 2010
Camera-ready manuscript submission	:	September 15, 2010

The Conference Proceedings will be published by IEEE Press
